

Resurrection Rolls

Ingredients

1 package of large marshmallows

1 package of dinner rolls (frozen, thawed out or the tins from the refrigerator section...or you can make dinner roll dough)

Cinnamon

Sugar

1 tsp. Vanilla

1-2 sticks of butter, melted

Instructions

Create a bowl of cinnamon sugar (make it to your liking...smaller kids, less cinnamon usually works well)

Put the melted butter and vanilla in another bowl.

Take one of the dinner rolls and flatten it out. Place the marshmallow in the middle and form the dough back around it. Make sure no marshmallow is exposed.

Dip the roll into the butter and then into the cinnamon sugar.

Bake according to the package instructions. Make sure they aren't too close together. I've also baked them in muffin tins with success.

Let cool completely. There will be marshmallow-ooze when you take them out, and it is very hot.

Enjoy!
